Dr. Terri Cooper has been a Doctor of Chiropractic and a licensed acupuncturist for more than 14 years. One of Dr. Cooper's specialties is Emotional Release Technique (E.R.T.), which addresses the emotional component of health in a safe, effective, physiological way with spinal and meridian adjustments. E.R.T. includes NeuroEmotional Technique, Next Mind, Next Body, Tapas Acupressure Technique and more. The power and synergy of E.R.T. in a group setting is awesome. Come laugh with us and let go of the old programming. This is a Chiropractic process, not talk therapy.

Registration is required and seating is limited. \$25 pre-registration/\$30 at the door.
Corporate Centre 200 • 200 35th Street in Marion. Open to the public.
